Chocolate Almond Cherry Crisps
Makes 24 crisps

1 cup dark chocolate chips
3/4 cup white chocolate chips
1 1/2 cup puffed rice cereal (like Rice Krispies)
3/4 cup dried cherries
1/3 cup slivered almonds
1/2 tsp vanilla

Cover a large baking sheet with wax paper. Place dark and white chocolate chips in a medium glass bowl and microwave at HIGH for 45 seconds. Stir, and microwave another 45 seconds or until almost melted (you may also melt chips in a double-broiler). Stir until smooth. Add cereal and remaining ingredients, stirring quickly to combine. Drop mixture by teaspoonfuls onto prepared baking sheet. Chill until firm (about 1 hour).
